MISSION FOR ADVANCING THEOLOGICAL EDUCATION & FRIENDS COMMITTED TO CARING

From Arnie's Desk

Dear Friends,

Praise the Savior, ye who know Him! Who can tell how much we owe Him? Gladly let us render to Him all we are and have.

Thank you very much for praying for the recent mission trip to Africa. I am happy to let you know that God answered in miraculous ways. How true it is that **"God moves in a mysterious way His wonders to perform"**

We were able to establish FCC as a Non-Governmental Organization (NGO)

in Zimbabwe, Ethiopia and Ghana. It was wonderful to see the miraculous way in which God provided the right people to get involve in the ministry. They are now proceeding with registration. The opportunity of meeting with heads of government and praying with them was a door that only God could have opened. It was never planned. Governments have invited Mate/Fcc to come in and establish its ministry – Hallelujah, Praise the Lord.

I had an appointment to meet with a certain president but couldn't get a visa to enter into

the country. On my way back to Toronto who do you think was sitting right in front of me? That's right, the very president. It is wonderful to be in the way He leads. All of this is because of your faithful prayers.

Please pray for us over the next two weeks because God is about to do something great in this mission.

God bless you and be not weary in well doing.

Arnie

MINISTRY REPORTS

India: Partnering with The Nippon Foundation

About 130,000 people are diagnosed with leprosy in India every year, more than in any other country in the world. Though a cure for the disease exists, deep-rooted discrimination continues to impede the path from poverty to economic independence.

This photograph portrays conditions in leprosy colonies and the lives of affected individuals and their families, reveal some of the remaining problems in India.

India is the second most populous nation in the world, with 1.2 billion people. It is also home to 58% of the newly diagnosed leprosy patients worldwide.

\$30.00 per month (for 1 year) will cure a

leper completely (including surgery if needed) and give him/her a NEW life.

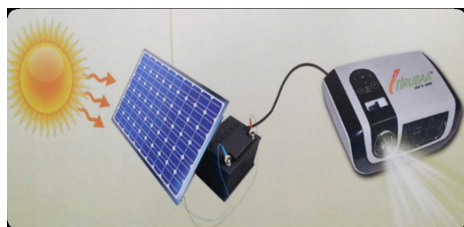

Prem Nagar colony residents welcome visitors with a warm smile.

A cured leper now sustains himself

A one time gift

\$30.00 per child times 50 children will set up an E-Learning school that includes adult education.

Please Note

Your Income Tax receipts have been sent out with thanks for your faithful giving.

Please make sure that your giving is correct and to report any error to the office so the matter can be rectified.

A note of praise

Look at what your recent donations have done. You provided Samson with mobility (no longer walking on his knwvs) and being a tailor, he can now sustain his family.

A gift of sustainability

\$30.00 per goat will help to sustain a family in Tanzania for life (will give them 4 goats that will multiply in 2 years, see photo below).

Goat Ministry

A gift of compassion

\$30.00 per year or \$2.50 a month will keep a girl in school until she completes her education. We presently help 2,000 girls. There are 18,000 more looking for help. Please pray and seek God in how to help some of these girls.

Increase from 4 to 200 goats in 2 years.

Please pray for:

- Medical Mission Trip to Guyana March 24 – April 09, 2017.
- Three New MATE/FCC Boards established in Zimbabwe, Ethiopia and Ghana. They are working on registering an NGO in each country.
- Teaching morals in schools to over 4,800 students and the 25 teachers and helpers. There are more schools requesting Moral Education but we lack the funds to produce the materials and transport for the teachers/helpers.

CLIMB THE MOUNTAIN WITH GOD
MATE/FCC 25th ANNIVERSARY 1987 - 2017
 5:00 P.M. SATURDAY APRIL 22ND, 2017
 THE peoples CHURCH
